PETITIONS OR COMPLAINTS:
Anthony Andrews complained that a shed erected on the property next to his blocks his view of the road. Because Dr. Andrews cannot see cars coming down the road until they almost reach his driveway, he feels pulling out of his driveway is dangerous and he feels unsafe. Andrews was not contacted concerning the permit for this shed since it is adjacent to his property. This statement serves as his formal complaint.
A lakefront resident witnessed two Penn Lake residents from across the lake shooting at geese who had goslings. This same resident had one dead goose turn up on his lakefront and a short time later, another goose turned up injured.
A resident from Horseshoe Dr. complained that someone dumped a bag of garbage in her trash can that contained a wet and nasty baby mattress or quilt. She was wondering if the Borough can do something to get rid of the trash and wanted to know if other residents had the same problem.
